

Aimee Demo Storyboard

Scene 1: Cold Open — The Pain

- Visual: Plain screen with text overlay or B-roll of a cluttered desk, messy CRM
- Voiceover: 'Wine sales reps waste hours every week on admin. Updating call notes. Tracking inventory. Remembering who
- Fade in Aimee logo.

Scene 2: Meet Aimee

- Visual: Aimee interface opens (your demo UI)
- Voiceover: 'Meet Aimee. Your voice-powered sales assistant—trained for the wine industry.'

Scene 3: Aimee in Action – Inventory Check

- User (spoken): 'Hey Aimee, how many bottles of the 2021 Meursault do I have left?'
- Aimee: 'You have 12 bottles of the 2021 Meursault left. Mostly allocated to somm-driven accounts.'
- Voiceover: 'She knows your inventory—without opening a single spreadsheet.'

Scene 4: CRM + Follow-Up

- User: 'Aimee, did I talk to Robert Kingston about Pinot?'
- Aimee: 'Yes. Last Thursday, Robert asked about the 2020 Pinot. You promised to follow up this week.'
- Voiceover: 'She remembers every detail—even when you don't.'

Scene 5: Send the Email

- User: 'Aimee, send him a follow-up.'
- Aimee: 'Email drafted: "Hi Robert—We've got 18 bottles of the 2020 Pinot Noir available. Want me to reserve a case for you
- Voiceover: 'No typing. No CRM. Just sales.'

Scene 6: Call Notes

- User: 'Aimee, log that I followed up.'
- Aimee: 'Got it. Logged follow-up with Robert Kingston on Pinot Noir, June 22nd.'
- Voiceover: 'Aimee updates your CRM behind the scenes.'

Scene 7: Wrap-Up

- Visual: Logo + Tagline
- Voiceover: 'This is what sales should feel like.'
- Text on screen: 'Aimee: The assistant you wish you had in the passenger seat. Join the waitlist today. [Your URL]'
